Pursuant to California Fish and Game Code Section 395 and Section 670, Title 14, of the California Code of Regulations (CCR) you must have a valid falconry license in your immediate possession at all times while capturing or attempting to capture raptors in California.

*You are not authorized to trespass upon private property or restricted areas on state and federally owned property. Pursuant to 670 (c)(4)(B) Title 14, of the CCR, upon capture of a raptor, you must notify the Department of Fish and Game within five days by filling out the bottom portion of this permit and returning this **entire** form to the Department of Fish and Game, License and Revenue Branch, 3211 S Street, Sacramento, CA 95816. If unsuccessful, this permit must be returned within five days after the expiration date to the same address.*
